

WARRINGTON SOCCER CLUB FUNDRAISER

Do you have shoes in your closet that should have been disposed of? Well, we all have, and now we have a really good use for them.

- Community Recycling is a program that works with the collection of quality, paired shoes destined for **REUSE**, and promotes the ShoeBox Recycling program in our community.
- Community Recycling will provide collection boxes. We just donate the shoes or cleats and place them in the collection boxes.

BOXES WILL BE PLACED AT THE FOLLOWING LOCATION:

- **Jamison Elementary School (September 20th – Picture Day)**

DATE FOR COLLECTION:

September 20 / 8:00 am – 4:00 pm

**** Please no big winter boots, UGG boots, rubber boots, big fuzzy slippers, ice & roller skates, slippers, flip flops or moldy shoes or with holes/rips. Shoes must be wearable and in pairs. We now accept all types of cleats.
